Wounded Are Treated in Prefabricated Hospital

SAN FRANCISCO, CALIF. — A pre-fabricated hospital, capable of receiving 1,000 patients at one time, is now facilitating the handling of all wounded naval personnel from the Pacific, the 12th naval district disclosed recently.

Originally designed for an unspecified Pacific area, the hospital, comprising more than three miles of buildings, was set up in McLaren park when special requirements caused a change in plans.

Hundreds of cubicals of prefabricated material were shipped in, then put together by local contractors. The T-shaped hospital units have a steel framework firmly embedded in concrete foundations.

Main purpose of the hospital, according to Navy Capt. Gerald W. Smith, is to give wounded men immediate treatment upon arrival, then foster them out within a few days to the navy hospital nearest their homes or to specialized institutions.

Dehydrate, Mail Girl, Liar Queen Tips Yanks

BURLINGTON, WIS. — Love—albeit dehydrated—earned for Capt. Hope Harrin of Conway, Ark., the undisputed title of world's champion liar of 1944. The title is awarded by the Burlington Liars club, unquestioned critic of tall tales.

Captain Harrin is a WAC, serving overseas. Here's her story, adjudged the best of 5,000 submitted in the club's 16th annual contest:

"Two years away from my girl friend became unbearable. I've been a mess officer and have done much work with dehydrated foods in the ETO. I wrote to my gal, a petite blonde, to go to a plant that processes fresh vegetables for overseas shipment and get herself dehydrated.

"She did.

"Immediately her mother put her in an envelope and sent her to me airmail. When the letter arrived I took her out, poured water over her, and in half an hour she was as good as ever—and here with me."

Captain Harrin is the second woman to win the "diamond-studded, gold - plated" championship medal. Mrs. Hale Barnhouse of Fowlerville, Mich., won it in 1939.
